

CRW is incredibly pleased to be able to assist those who are working with the Afghanistan refugees in Tajikistan. We

have worked with the regional partners in several containers, and when they approached us to assist them, we jumped right on board. They will be overseeing the load.

We will be purchasing a container so they will have a secure storage space for the goods.

FV Gleaners is graciously donating 10 pallets of dried soup mix to help feed them over the winter months.

Soap for Hope Canada has been gracious in donating soap and shampoo and some linen.

Canada Comforts Society has been making blankets, and hats, children clothing and baby supplies. our team is busy preparing baby packs for distribution.

North Douglas Pentecostal Church quilters have donated some beautiful quilts for us to share

Helping Hands Abbotsford has shared some lovely handmade blankets and quilts with us for the load plus so many kind people have been bringing in special items for the load.

Rick's Heart Foundation is working to secure some shoe making tools and supplies.

The load is basic supplies- clothing,, bedding, household, school supplies

But we have been able too find a set up for 2 salon schools- truly amazing find! and this is now ready for loading. So exciting.

A sewing school - so if you have a 220v sew machine that you are not using, please send it along.

,

We are still in need of winter coats, winter gloves, leggings, warm socks, toothbrushes and paste, and we still need to purchase the container.

We will be loading as soon as we can obtain a booking. Winter is coming and they need some warm clothing and bedding to keep them warm.

It is absolutely amazing to see how many are reaching out and sharing what they have for this load.- it really shows how a "whole symphony of people" are reaching out to help those in need..

Thank you. Thank you
